

# Your pregnancy care record with BadgerNotes

Get the app or visit [www.badgernotes.net](http://www.badgernotes.net)

## Before you begin

You will need:

- ▶ The account activation phrase given to you by your midwife
- ▶ The email address you gave to your midwife
- ▶ Your mobile phone to receive the verification text

You can make a note of them here:

Email:

Account activation phrase:

## Using your NHS login instead

If you're registered with a GP in England, you can also login using your NHS login. If you are creating a new NHS login account, there will be a delay of 24 hours while NHS login verifies your identity.

## Setting the language

You can change the language displayed in BadgerNotes from the top right of the opening screen **1**.

Tap the  **Eng** button to select a different language. A **Change language** dialogue box will appear **2**. If you tap **English** a list of other supported languages are displayed.

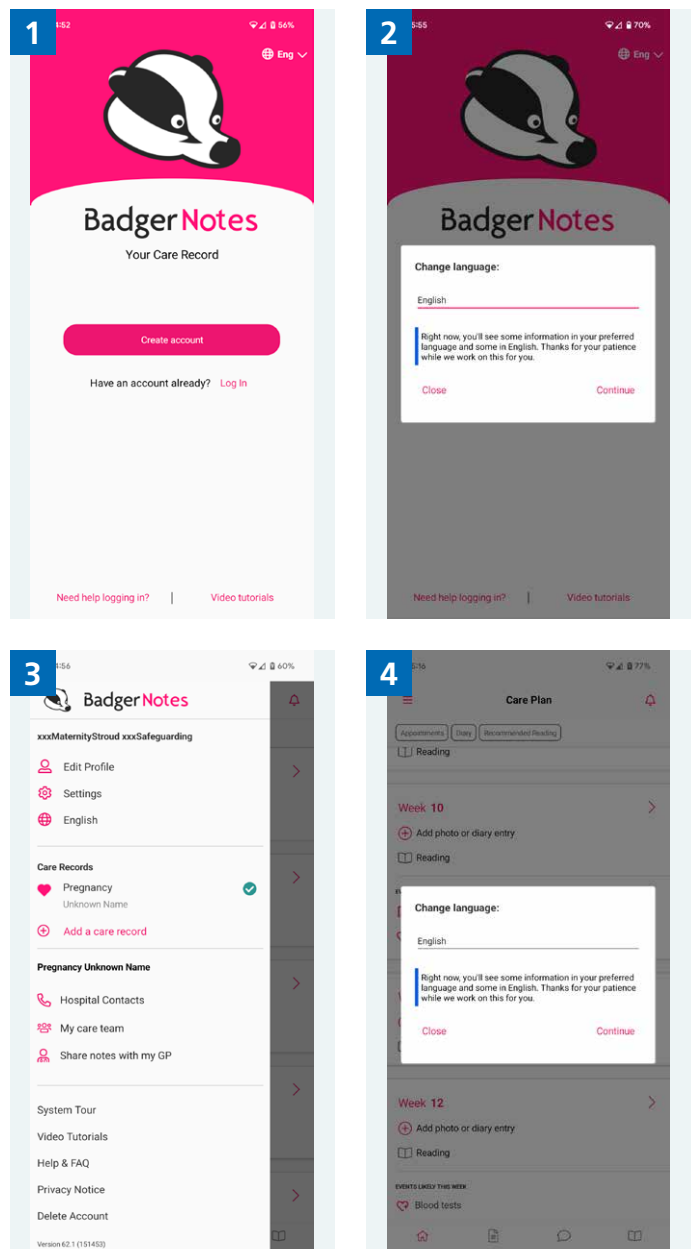

### If you're already logged in

If you're already logged in, you can still change the language.

Open the menu by tapping the menu button , then tap  **English** **3**

A **Change language** dialogue box will appear. If you tap **English** a list of other supported languages are displayed **4**.

The supported languages are: English, Welsh, Polish, Punjabi, Bengali, Spanish, Portuguese, Romanian, Lithuanian, Somali, and Maori.

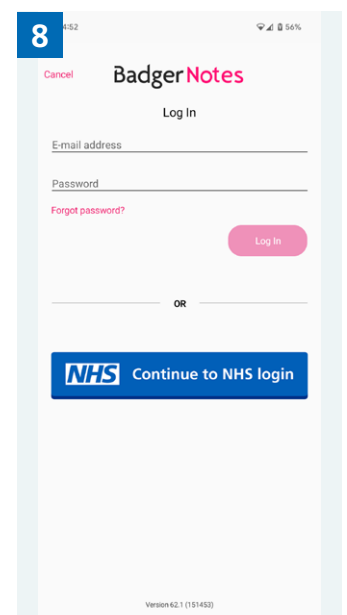

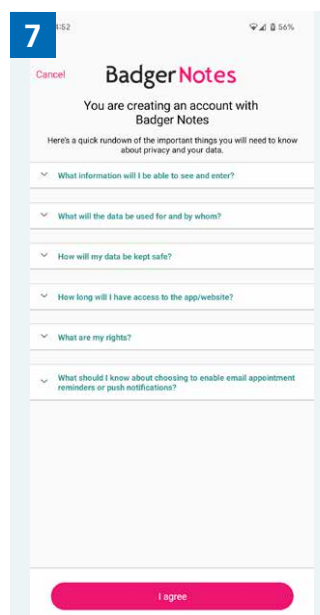

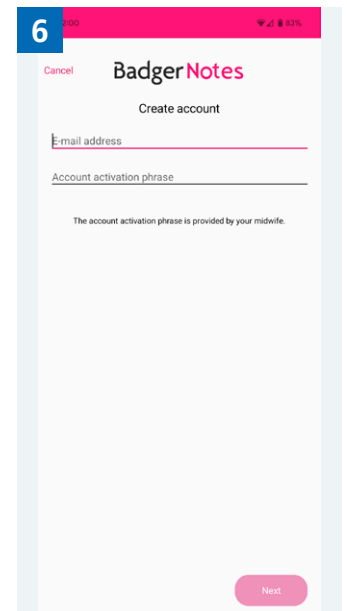

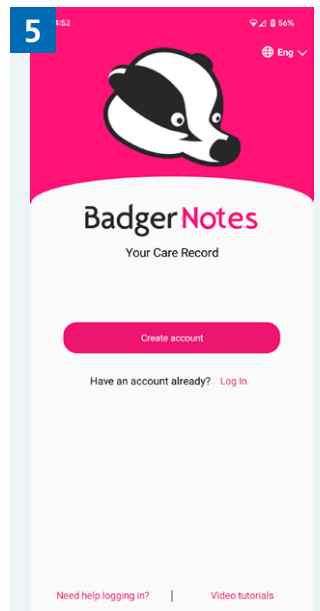

## Logging in

When you open the BadgerNotes app, you will see the opening screen **5** with a **create account** button to create an account and a smaller link to login if you already have an account.

If you tap create account, you will be asked to confirm your email address and your account activation phrase **6**. When you press the **Next** button you will be asked to agree to BadgerNotes Privacy Policy and Terms and Conditions **7**.

If you tap **Log In** you will be taken to the login screen **8**, where you can login using your existing email and password, or by using your NHS login.

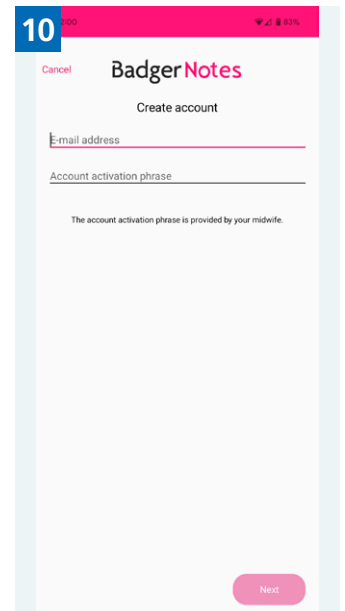

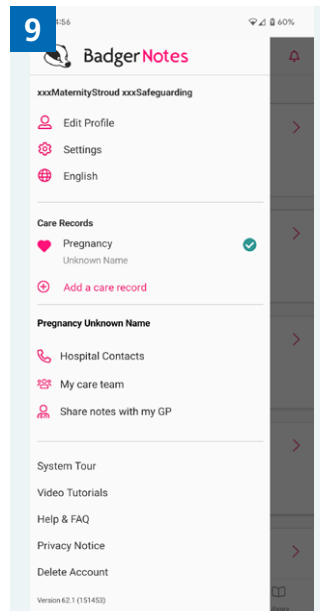

## Have you used Badger Notes or Maternity Notes previously?

You can add your new care record to your existing account; you need to keep using your existing login and not your NHS Login.

- ▶ Log in using your existing password
- ▶ Tap the menu icon ☰ in the top left hand corner to open the menu **9**

Enter the account activation phrase that has been provided by your midwife **10**. This will add your current pregnancy.

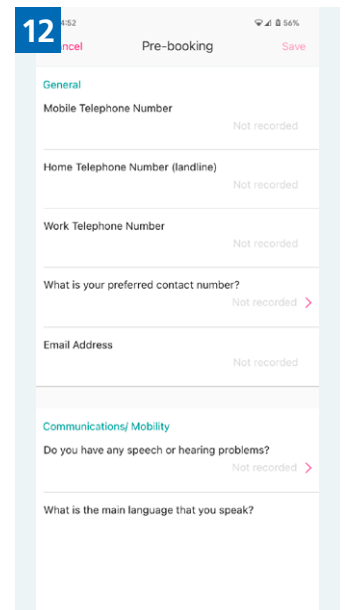

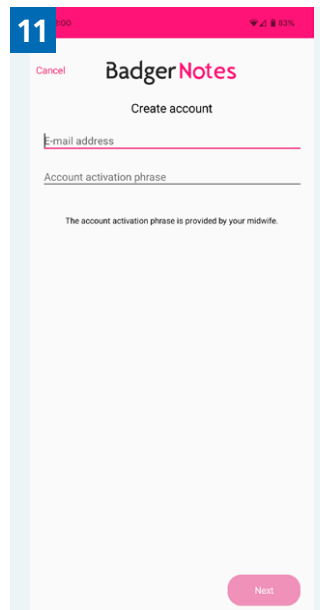

Once the account is activated you will see the option appear under care records.

## Complete your pre-booking questionnaire

Your community midwife will ask you to complete this before she meets you for your booking appointment.

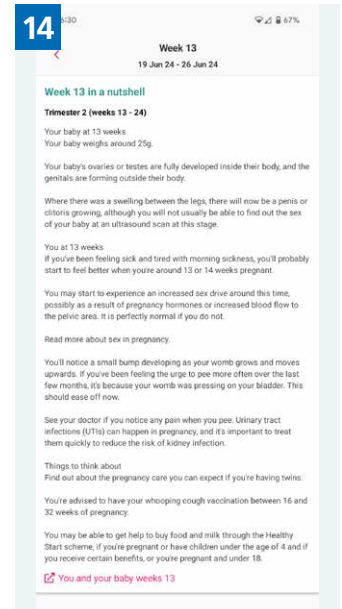

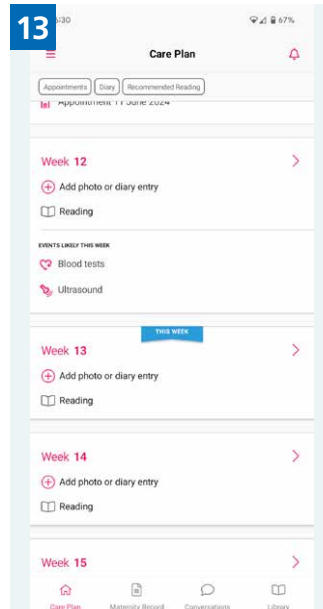

This can be revisited and updated until the day of your booking appointment.

## Care plan

The care plan section is a week-by-week timeline of your pregnancy **13**.

- ▶ Learn about your baby's development
- ▶ View reading recommended by your midwife by tapping the **Reading** label
- ▶ Learn about what might happen each week **14**
- ▶ View your booked appointments
- ▶ Write a personal diary entry and add a photo

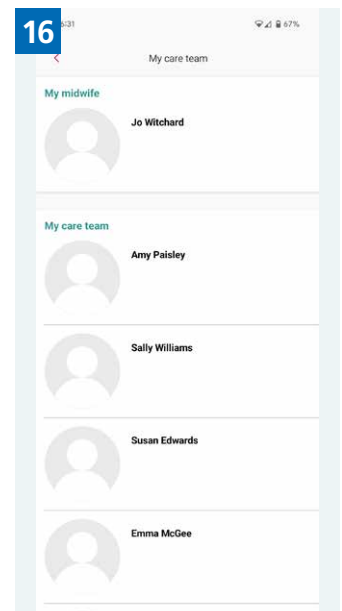

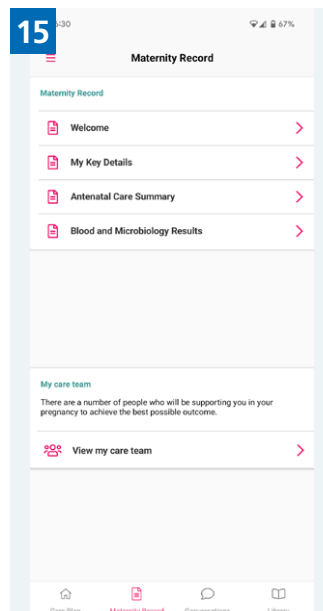

## Maternity record

The maternity record section contains information recorded by those looking after you in your pregnancy **15**.

The antenatal care summary report will grow into a chronological record of some of your pregnancy key events.

- ▶ View information from your medical record
- ▶ View who is in your care team **16**

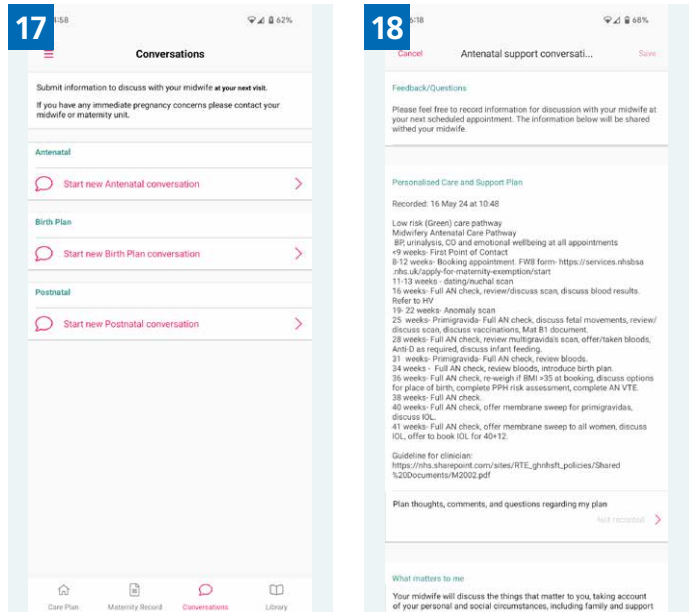

# Conversations

Share your thoughts and questions about your antenatal care, birth plan and postnatal care to your midwife – they will review this at your next appointment.

Select the **Conversations** tab **17** and select either:

- ▶ Antenatal support conversation **18**
- ▶ Postnatal support conversations
- ▶ Birth plan

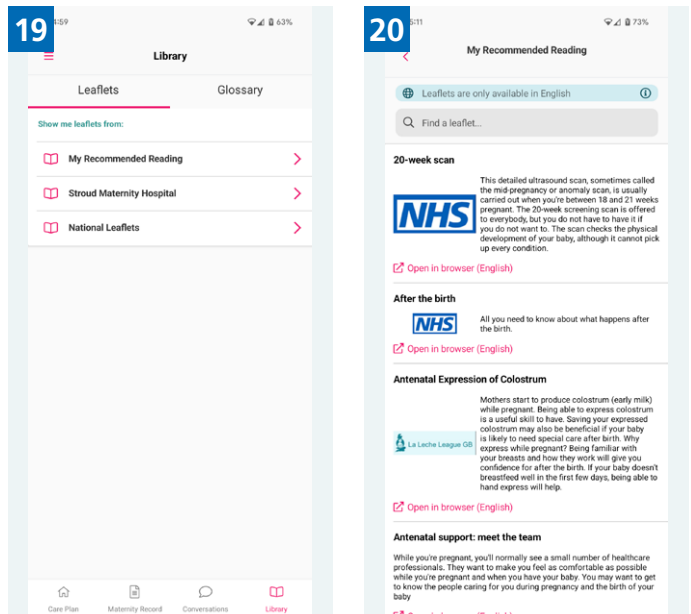

# Library

Select the **Library** tab in the bottom right hand corner **19** to view our hospital's library of pregnancy leaflets, videos and links to verified web pages.

We have some leaflets in different languages. As more multilingual leaflets become available, we'll add them.

For **National Leaflets**, select your preferred language at the top of the screen to see which leaflets are available in that language. **20**
