

Nursing Student Forum

Nursing Student Forum is held on the last Tuesday of every month starting in January 2025, 9am-12:30pm.

The forum will be face to face primarily at Sandford Education Centre or Redwood Education Centre with one session on Teams.

Face to face forums will be on a first come first served basis due to room size/capacity.

All forums will consist of:

- ▶ Welcome and introduction
- ▶ An education element
- ▶ Practice Education Facilitator updates
- ▶ A Q&A session with senior colleagues and HEI representatives
- ▶ Feedback and networking opportunity
- ▶ Optional restorative clinical supervision

The forum can be used as part of your placement hours for student nurses or protected learning time/'away placement' hours for Student Nursing Associates.

All nursing students welcome

We look forward to welcoming you on the following dates from 9am to 12:30pm:
